

Mentor Evaluation Form

Dear Mentor,

You have been chosen by this student to evaluate certain physical aspects of his or her Senior Project. It is necessary for the student to seek an evaluation because most of the physical part of the Senior Project is completed outside of class. Your observations are extremely important to this student's Senior Project teacher because your responses assist in the overall evaluation of this student's physical project. Thank you for taking the time to complete this evaluation.

1. Describe the project: *Astromony: Asteroid Tracking & Astrophotography*
2. Based on the final project and this student's skill level, how many hours can you estimate that the student spent on this project? *~ 20 hr plus*
3. What impressed you the most about this project?
Students enthusiasm & Growth
4. What do you think could have been improved?
started earlier -- weather issues
5. Where did you think that this student showed the most growth?
Telescope operations & making light curves for asteroid occultation events
6. Discuss the student's professionalism.
great, always prepared
