Dear, Coach Bean

I would like to write you a thank you letter for all the help you have given me for this project. You sacrificed your Saturdays and Sundays to help me with the project, and that meant a lot to me. I learned a ton on how to work the observatories computers and telescope, and for helping me scan in all of my papers and helped put them all into my portfolio. Thank you for all the help.

Sincerely,
Chandler Tearney

Dear, Mrs. Macey and Miss. Davis

Thank you for all the help you gave me during this whole school year. You two made my senior year easy and not stressful. You guys were cool with everything and helped me out when I had my truck broken into and had all of my senior project stuff stolen. You helped me get it all back together and I am grateful to have you guys as my teachers. Thank you both for all of the help.

Sincerely,
Chandler Tearney
